Three guys are sitting in a sauna: a Mexican, an Asian, and a white guy. The Mexican and white guy are showing off their new tech gadgets. The white guy says, "Hey, look what I got: the new Google Glass!" The Mexican & Asian say, "Wow, that's nice, man." Then the Mexican guy says, "Check out my new cell-phone; it's a watch!" The white guy and Asian say, "Very cool, dude." The Asian guy has nothing to show these guys, so he gets up and walks away naked to the bathroom. Then he comes back 5 minutes later from the bathroom still naked with paper hanging out of his butt. The Mexican and white guy say, "Hey, you have something hanging out of yours." The Asian guy says, "Oh look, I'm receiving a Fax!"

It's game 7 of the NBA finals and a man makes his way to his seat at center court. He sits down and notices that the seat next to him is empty. He leans over and asks his neighbor if someone is sitting there. He responds, "No, the seat's empty." "The first man exclaims, "What?!? Who in their right mind would have a seat like this for the NBA finals and not use it?" The neighbor responds, "Well the seat is mine, but my wife passed away and this is the first NBA finals we haven't been together." The first man responds, "I'm sorry to hear that. Wasn't there anyone else, a friend or relative, that could've taken that seat?" The neighbor responds, "No, they're all at the funeral."

A football coach walked into the locker room before a game, looked over to his star player and said, "I'm not supposed to let you play since you failed math, but we need you in there. So what I have to do is ask you a math question, and if you get it right, you can play." The player agreed, and the coach looked into his eyes intently and asks, "Okay, now concentrate... what is two plus two?" The player thought for a moment and then he answered, "4?" "Did you say 4!?" the coach exclaimed, excited that he got it right. At that, all the other players on the team began screaming, "Come on coach, give him another chance!"

Does anyone remember the Swatch, a watch made in Switzerland? Thank God Croatia didn't come up with the idea first. Just imagine if someone were to ask you what time is it? "Oh pardon me while I look at my crotch."

Do not be racist; be like Mario. He's an Italian plumber, who was made by the Japanese, speaks English, looks like a Mexican, jumps like a black man, and grabs coins like a Jew!

Saudi Prince 'Spends £558,000' on One Week Holiday in Turkey

A Saudi prince reportedly spent £558,000 during a week-long holiday in the Turkish resort of Bodrum.

Prince Alwaleed Bin Talal bin Abdulaziz al-Saud, one of the kingdom's richest men, descended on the Aegean resort with dozens of family members, staff, and bodyguards in tow. His private jet arrived in the town on August 14 carrying more than 300 suitcases, which needed to be carried by truck to his hotel, according to the Hurriyet newspaper.

The 62-year-old prince indulged a passion for cycling by flying in 30 bicycles and riding around the coastal town escorted by dozens of bodyguards.

He reportedly spent £367,000 on accommodation during the trip, which involved renting a beachside hotel, a nearby villa and several lodges.

The prince dined with 14 other guests at the Nusr-et Steak House on a peninsula sticking into the Aegean Sea. Apparently pleased with his meal, he reportedly left a £4,459 tip.

The restaurant's owner, Nusret Gokce, became famous worldwide as "Salt Bae" for his flamboyant style of dropping salt on meat.

On another day he reportedly spent £8,919 at a fish restaurant.

The family moved around in a fleet of luxury vehicles and buses, according to the newspaper. Hurriyet gave no source for the figures it quoted.

Prince Alwaleed is the chairman of the Kingdom Holding Company, which invests in major firms around the world. Forbes ranks him as the 45th wealthiest person on the planet, with a net worth of £14.6 billion.

The prince spent days on his yacht, Kingdom 5KR, which was docked at the resort. The 281ft vessel was formerly owned by Donald Trump, who sold it to the Saudi in 1991.

Boy, 14, Arrested in Saudi for 'Improper Public Behaviour' by Dancing to Macarena in Street

Saudi police have released a 14-year-old boy who was arrested after footage emerged of him dancing the Macarena in the street at a busy intersection.

The interior ministry said the teen was released without charge after he and his guardian were questioned about his "improper public behaviour" by officers.

They signed a written pledge that the teen will not engage in behavior that could endanger his life and the life of others again," the ministry said.

"The notification was solely intended to warn the boy about potential consequences for his own safety, as well as to safeguard the overall safety of motorists and pedestrians."

In a 45-second video clip, shared widely on social media, the boy stops halfway across the

road and starts the well-known dance routine.

Some said the boy was a "legend" and "hero", while others apparently agreed with the Saudi authorities, stating that he behaviour was "immoral".
